Department of Chemistry
University of Florence
Via della Lastruccia 3 | 13
Sesto Fiorentino, Firenze, Italy

- A two years chemistry course focused on Material and Life Science promoted by the Department of Chemistry
- The course is offered to Italian and international students willing to further explore the Chemistry of Materials and the Chemistry in Life Sciences
- Ten scholarships will be granted, after a selection
- All courses will be given in English by the teaching staff of the Department and by international experts
